Access Ceiling

► System

Access gets its name from its easy-to-use downward-hinged access panels. This uniform system completely hides the suspension, maintains proper panel alignment, and allows a custom paint finish. Access shines in large spaces where access to mechanical equipment, network trays, and electrical is needed on a regular basis.

Items to specify

Mounting type

Torsion spring mounting, extruded aluminum grid mains and V-shapes spacer bars.

Edge profile

Finishes

Fabric partners

Carnegie maharam kvadrat Guilford of Maine DESIGNTEX Knoll

Paint
